

Celebrating a caring legacy lasting 20 years

September 9 this year marks the 20th anniversary of the founding of Singapore's Ma Kuang Healthcare Group.

The CEO, Mr Huang Chuan Sheng, wants to express his heartfelt thanks to all the customers and partners who have given great support to the development and growth of the company, the co-workers' accomplishments and

look forward to what the future holds.

Mr Huang vividly remembered how Ma Kuang's main branch at Middle Road, which was established two decades ago, offered a large-scale free consultation for 10 consecutive days which drew hundreds of people queuing as early as 5am in the morning.

Today, that has developed into 21 TCM clinics, health management centres, women's and children's clinics, house call services and Tuina massage centres island-wide, making Ma Kuang one of the leaders in the TCM healthcare service industry in Singapore.

Ma Kuang also won the Singapore Promising Brand Award, SPBA in 2004/2005, the Superbrands Award from 2004 to 2006, and the Top 500

Promising SME Award for four consecutive years from 2006 to 2009.

Compared to 20 years ago, TCM is now accepted gradually, and is becoming more and more popular in the developed countries. Since its beginnings 20 years ago, Ma Kuang has prioritised patient healthcare and is committed to promote the philosophy of TCM worldwide and hopes to help the public to "walk out" of their illnesses and enjoy a healthy lifestyle at the same time.

Ma Kuang Singapore currently employs around 150 enthusiastic and experienced professionals.

Mr Huang said: "I would like to thank all my colleagues who continue to work as one and put

their best effort in making Ma Kuang a reliable, trusted and recognised healthcare company in Singapore. We look ahead to opportunities on the horizon that will enable our dynamic health care community to continue to grow and improve the delivery of patient care across the region."

In celebration of its 20th anniversary, Ma Kuang is currently having its anniversary sale with up to 20 per cent off on most of their products! The promotion ends on Sep 15.
